creating networks, connecting businesses

ABOUT THE UK-GHANA CHAMBER OF COMMERCE

The UK-Ghana Chamber of Commerce (UKGCC) was established in 2016 with the support of the United Kingdom's Department for Business and Trade to promote trade between the UK and Ghana. It is the leading private sector organisation proffering trade and commerce support for UK and Ghana businesses.

The UKGCC is a two-time British Chambers of Commerce (BCC) International Chamber of the Year finalist, and 2023 BCC International Chamber of the Year.

Green Innovation

Empowering
Entrepreneurs

Healthier futures

Social Impact

WHY ATTEND

For Start-Ups

- Connect with leading VCs, CVCs and angel investors, whether they are based here, in one of the world's biggest financial centres, or join from all over the world.
- Listen to the inspirational stories of founders who have built businesses of all shapes and sizes.
- Connect with fellow innovators to share ideas and explore collaboration.
- Meet thousands of enterprise tech leaders looking for someone to solve their problems.
- Find out how founders of the UK and Europe's most exciting start-ups are approaching funding and scaling while tackling some of the greatest challenges facing humanity.

For Investors

- Meet the VCs, CVCs and angel investors who call London home and who are on the lookout for their next venture.
- Use an app to find people with the profile you want to meet so that you maximise your time at the event.

WHY ATTEND

For Enterprise Tech

- Discover the latest in AI, quantum, cyber, fintech, martech, createch, cleantech, the future of work.
- Hear about the breakthroughs which will create technologies we haven't even got a name for yet.
- Learn about the best-in-class case studies of the foundational tech which every organisation needs to get right.
- Explore the hottest innovations and the deeper issues facing the world of tech – the balance between data and privacy, how tech can promote inclusion and what AI really means for humankind.
- Discover how corporates are innovating and embracing emerging tech to become more productive, efficient and competitive.
- Explore the new enterprise tech exhibition and hear from leaders at the forefront of digital transformation from a range of different industry verticals.
