

Visit Cape Town Trade Mission

(African Mining Indaba 2023)

2nd – 9th February, 2023

Background

- **The South Africa of today is one of the most sophisticated and promising emerging markets globally.**
- **The unique combination of a highly developed first-world economic infrastructure and a huge emergent market economy has given rise to a strong entrepreneurial and dynamic investment environment.**
- **Cape Town is a must visit business destination and a regional hub for entrepreneurship and innovation. The City of Cape Town has been ranked the top metropolitan municipality in SA when it comes to the ease of doing business, according to the latest World Bank research report on Doing Business in South Africa.**
- **Scotland and Africa share a magnificent history. The key shared economies of energy, education, training, technology, entrepreneurship and agriculture create massive opportunities, for each other and for the world.**
- **The UK-Ghana Chamber of Commerce in partnership with the Africa Scotland Business Network, a dynamic international business network in South Africa is organising a "Visit Cape Town Trade Mission".**

INVESTING AFRICAN MINING INDABA 2023

THE WORLD CONNECTS WITH AFRICAN MINING

- Mining Indaba has been a staple in Cape Town's and the industry's calendar. Over 6,500 mining experts descend on the city every February for five powerful days of networking.
- The conference makes a significant impact on the regional and wider economy of South Africa.
- Investing in African Mining Indaba (Mining Indaba) is solely dedicated to the successful capitalisation and development of mining interests in Africa.
- Succeeding for over 27 years, Mining Indaba has a unique and widening perspective of the African mining industry, bringing together visionaries and innovators across the entire value chain.
- Mining Indaba is the space for unmissable, high-impact networking, and creating opportunities and conversations to land deal after deal.
