

We kindly request your participation in the UK Ghana Chamber of Commerce 2021 Ghana Business Climate Survey.

This survey, which is the third of its kind from the UK Ghana Chamber of Commerce (UKGCC), is being conducted to provide unbiased, up-to-date and comprehensive information on the business climate, economic situation and investment conditions in Ghana as perceived by UKGCC members and the business community in general, as well as the impact of the COVID-19 pandemic on businesses.

The results of this survey will shape our advocacy work in the short and medium-term, ensuring that the chamber makes fact - based contributions to Government policies and legislation that culminate in creating a more conducive business environment in Ghana that promotes success and prosperity for the business community.

The report will provide valuable information for businesses and investors as well.

To participate, please click on the following link:
